

## PROPOSED GOALS FOR FRED

4/26/19

FRED Team:

- (Inclusion) All families and individuals in Ja/Jo Counties will have equitable access to recreation, community services, economic opportunities, educational attainment, and feel welcome in public spaces
- (Caring Adult; Safe Environment) Policy, funding and community understanding help to strengthen and value all families
- (Nutrition & Exercise) JA/JO County businesses have workplace policies that support family nutrition and exercise
- (Community Awareness & Education) Economic and workforce development supports lifting families out of poverty; Community and families
- (Childcare) 1. Educate and promote value of caregiver roles for both men and women; 2. Employers are incentivized to support childcare services for families with young children; 3. Promote intergenerational connectedness

Core Team:

- Families are nurtured and strengthened through community connection, education and supportive services
- Families have access to safe, affordable, appropriate childcare
- Families have ample healthy and affordable food
