Strategy 2.c: Increase supports and recognition of caregivers (including professional and relational)					
Organizational Objective	Agency/ Collaborative	Objective Process Measure (Outcome)	Action Steps	When	Action Step Process Measure
Strategy 2.d: Investigate, identify, or create benchmark data for monitoring regional access to safe, affordable, and appropriate child care					
Organizational Objective	Agency/ Collaborative	Objective Process Measure (Outcome)	Action Steps	When	Action Step Process Measure
Reduce child abuse and endangerment, protect children	DHS	Increase safety of children in childcare centers		Ongoing	

Goal 3: Families have ample healthy and affordable food					
Strategy 3.a: Reduce food insecurity for children and families					
Organizational Objective	Agency/ Collaborative	Objective Process Measure (Outcome)	Action Steps	When	Action Step Process Measure
Reduce burden on families in poverty by providing funding for food and offering services in employment and training	DHS	Increase in percentage of eligible households receiving SNAP assistance	Sign up all eligible households for SNAP	Ongoing	Percentage of eligible households receiving SNAP assistance

Provide nutrition and food skills education to at risk community members to enable informed and self-sufficient consumers inspired to eat more fresh fruits, vegetables, whole grains, and legumes	ACCESS	# of people who participate in classes; surveys showing change in awareness, behaviors	1. curriculum development	Ongoing	New class topics
			2. volunteer teacher recruitment	Biannual	Outreach, enrollment, training
			3. survey entry and analysis	Quarterly	Data entry & reporting
			4. new site registration	Ongoing	Outreach
Strategy 3.b: Increase access to healthy foods for children and families					
Organizational Objective	Agency/ Collaborative	Objective Process Measure (Outcome)	Action Steps	When	Action Step Process Measure
By end of 2020, increase redemption rates of the WIC Farm Direct Nutrition Program (FDNP)	Jackson County WIC	Increase redemption rate by 30% (2019 vs 2020 data)	1. Farm Direct Nutrition Education classes offered	June 1 – June 30m 2020	Number of FDNP vouchers issued to participants via class at WIC
			2. WIC Booth at the Rogue Valley Growers Market	June 25 – July 30, 2020	Number of households receiving text message outreach about WIC at Growers Market
			3. Blast text to WIC participant about FDNP benefit program	First week of June	Number of households receiving text message outreach to all WIC participants about FDNP benefits

Provide emergency food for families in need	DHS	Increase number of families receiving emergency food boxes	Provide emergency food boxes in branch offices	Ongoing	Number of families receiving emergency food boxes
By May 2020, ACCESS will produce and distribute copies of the first annual Jackson County Food Resource brochures to its network of pantries and community partners	ACCESS	# of partner sites participating in distribution; # of brochures distributed by end of April 2021	1. Complete brochure design	April 2020	
			2. Print and distribute brochures to community partners	May-June 2020	# of partners receiving brochures
			3. Reorder check-in with partners	October 2020	# partners requesting add'l brochures
			4. track brochures distributed	April 2020	# of brochures distributed by partners
By September 30, 2020, complete a pilot of three pop-up Pay What you Can fresh produce stand events	ACCESS	# of transactions; lbs of food distributed; # of pop-up events	1. Determine model for farm stand	March 2020	One model selected from proposed models
			2. Engage community to determine location and hours of operation	May 2020	Number of completed surveys
			3. Finalize pilot plan	July 2020	Number of set dates and times for pop-up stands
			4. Run pilot and determine sustainability	July - Sept 2020	Number of clients engaged; total

					revenue compared to total costs
Harvest a minimum of 3% of total fresh produce donated to ACCESS in 2020 from community food share gardens	ACCESS	Increase percentage of lbs of fresh produce donated from food share gardens	1. Identify room for expansion of food share gardens	Spring 2020	Compare to 2019 plantings
			2. Use new techniques to increase production	Spring/Summer 2020	Compare to 2019 production
			3. Track and compile all donated produce by source (i.e. food share garden, Fresh Alliance)	Growing Season 2020	Compare annual donated totals from food share gardens and Fresh Alliance

Goal 4: Community-based organizations create a coordinated and collaborative service-delivery system

Strategy 4.a: Align policy and funding to increase impact and sustainability

Organizational Objective	Agency/ Collaborative	Objective Process Measure (Outcome)	Action Steps	When	Action Step Process Measure

Strategy 4.b: Streamline delivery system to decrease duplication of services

Organizational Objective	Agency/ Collaborative	Objective Process Measure (Outcome)	Action Steps	When	Action Step Process Measure

Increase access to services for all Oregonians through development of a Resource Guide and outstationing of DHS staff to various communities	DHS	# of people accessing services	1. Create and disseminate comprehensive resource guide and feed info into 211	Ongoing	# of guides distributed; # of updates made to 211
			2. Place DHS staff in strategic locations around the region	Ongoing	# of locations served; # of staff serving outside DHS main office
Reduce child abuse and endangerment, protect children, and manage foster care and adoption programs	DHS	Increase the safety and health of children	1. Partner with community service providers	Ongoing	
			2. Dedicated caseworkers manage wrap around services	Ongoing	
Strategy 4.c: Promote the use of common language and training resources					
Organizational Objective	Agency/ Collaborative	Objective Process Measure (Outcome)	Action Steps	When	Action Step Process Measure
Enhance overall well-being and improved health outcomes of women, teens, children, and families before, during, and after pregnancy	Health Care Coalition of Southern Oregon	Monthly Perinatal Task Force meetings with 6-10 add'l trainings for WIC, Public Health, Siskiyou Comm Health Ctr, Women's Health Ctr, community nonprofits	1. Perinatal Task Force Meetings		Held Monthly
			2. Calendar of professional development trainings		Bi-monthly
			3. Community presentations		Quarterly

Strategy 4.d: Increase data sharing and communication capacities					
Organizational Objective	Agency/ Collaborative	Objective Process Measure (Outcome)	Action Steps	When	Action Step Process Measure
Enhance overall well-being and improved health outcomes of women, teens, children, and families before, during, and after pregnancy	Health Care Coalition of Southern Oregon	Monthly Perinatal Task Force meetings with 6-10 add'l trainings for WIC, Public Health, Siskiyou Comm Health Ctr, Women's Health Ctr, community nonprofits	1.Perinatal Task Force Meetings		Held Monthly
			2. Calendar of professional development trainings		Bi-monthly
			Community presentations		Quarterly
Improve coordination and management of multiple programs by implementing software that allows clients to apply for all DHS programs in one application	DHS	# of clients using a single application to apply for multiple programs/services	Implement integrated software system	2020	
Strategy 4.e: Investigate, identify, or create benchmark data for monitoring coordination of the regional service-delivery system					
Organizational Objective	Agency/ Collaborative	Objective Process Measure (Outcome)	Action Steps	When	Action Step Process Measure
