*OHP Changes English Facebook Post COPY TEXT*

1. Open up Facebook and make sure you are logged in to the profile you wish to post from.

2. At the top of your homepage, there will be a prompt that says "**What's on your mind, [Profile Name]?**" On that same bar, there will be three icons. Select the **GREEN** photo icon.

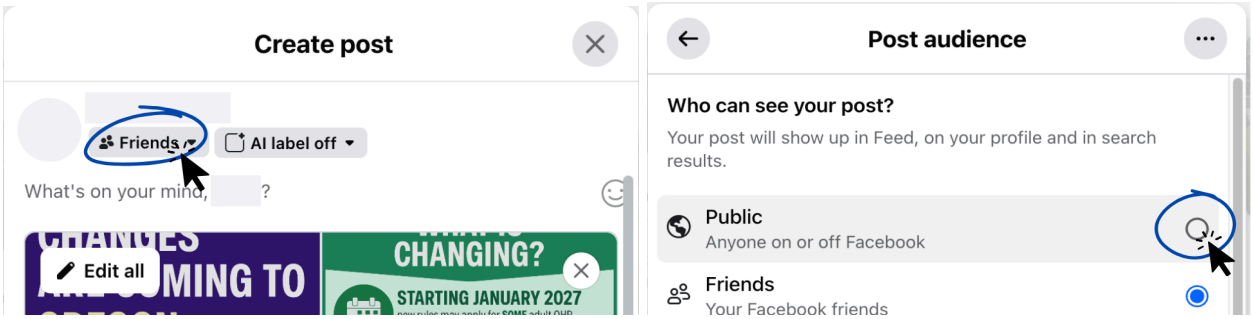

3. When prompted, select the .png images in order (labeled "**Facebook English 1-5**") from your photo browser and select **UPLOAD** or **OPEN** (depending on your operating system).

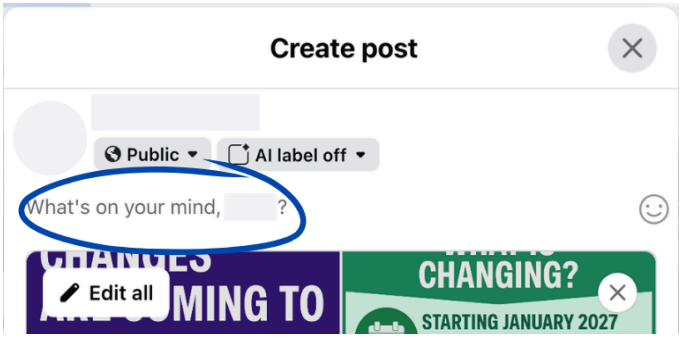

When the images have uploaded, Facebook will provide you with an opportunity to edit and caption the photos before posting.

4. Ensure the post is available to the public. Underneath your profile name in the "**Create post**" window, there will be a dropdown tab that shows you who this post is going to. Select that tab and then make sure that the "**Public**" button is selected. Press "**Done**" to return to the "**Create post**" window.

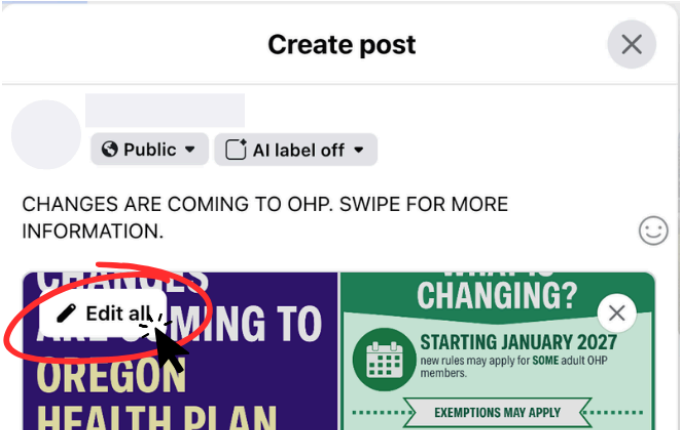

5. Select the "**What's on your mind?**" bar at the top of the "**Create post**" window.

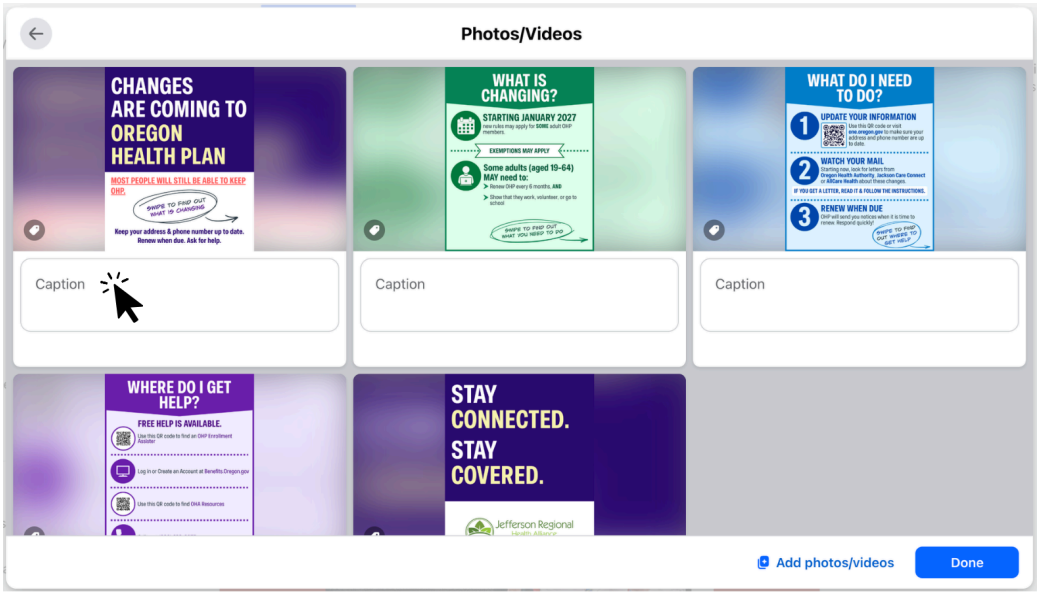

6. In that bar, write the below **BLUE** text:

   **CHANGES ARE COMING TO OHP. SWIPE FOR MORE INFORMATION.**

7. Next, select the "**Edit all**" icon in the top left corner of the image thumbnail. This will open up a "**Photos/Videos**" window and allow you to caption each image individually.

8. Copy and paste the below **BLUE** text that corresponds with the first image.

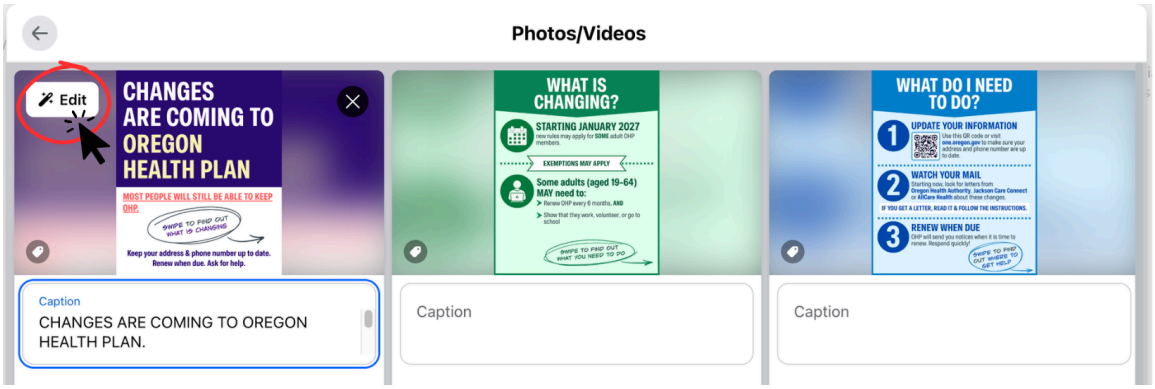

**IMAGE 1: CHANGES ARE COMING TO OHP**

**CHANGES ARE COMING TO OREGON HEALTH PLAN.**

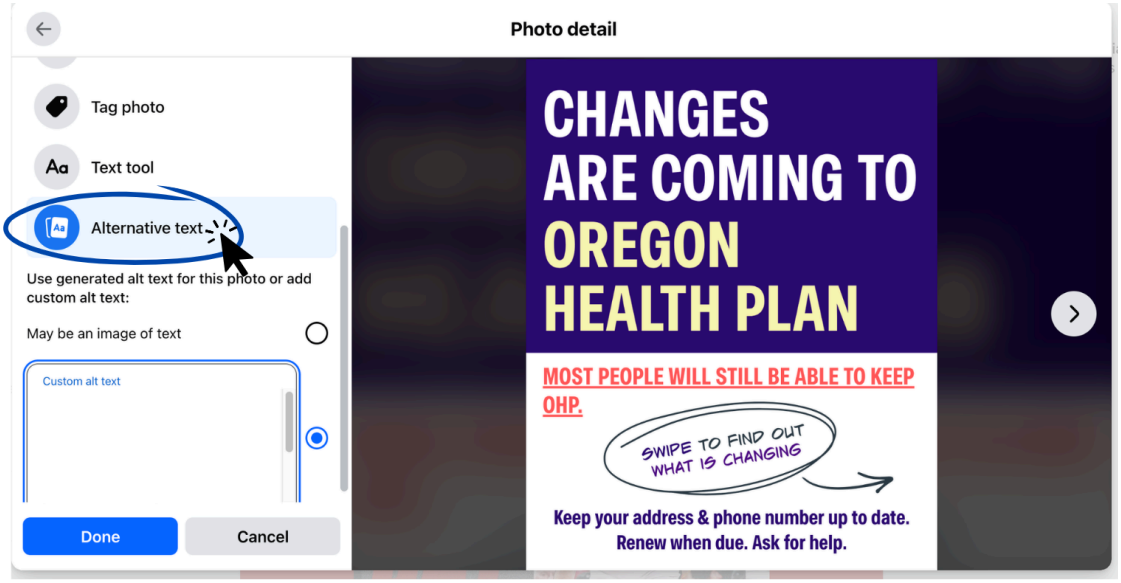

**Most people will still be able to keep OHP. Keep your address & phone number up to date. Renew when due. Ask for help.**

**SWIPE to find out what is changing.**

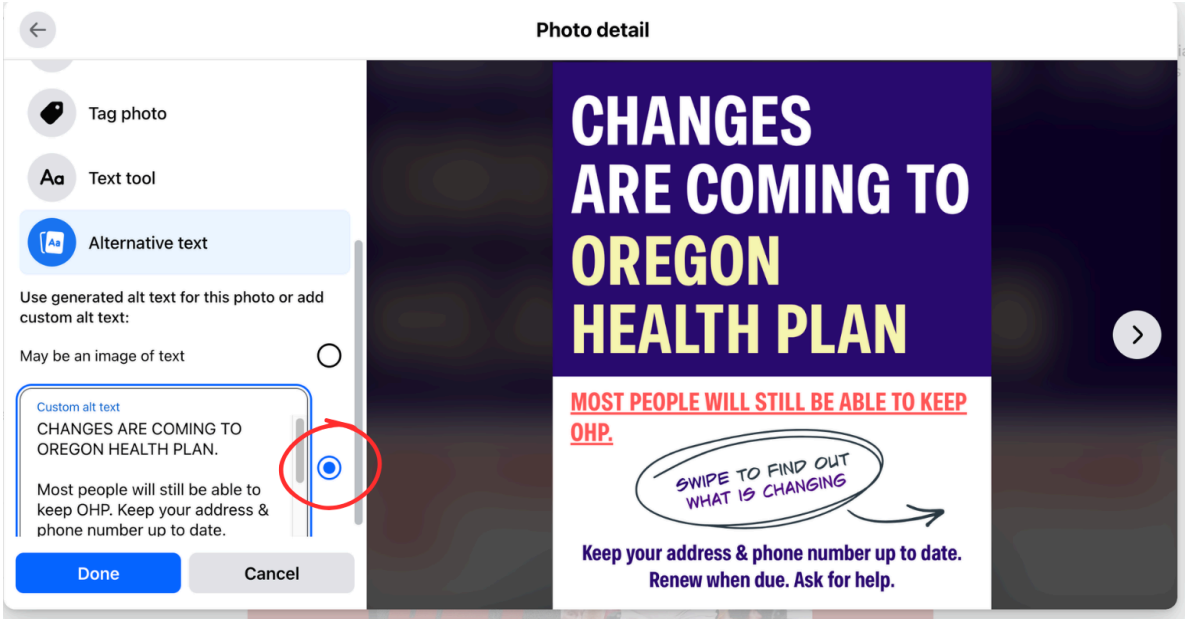

9. After adding the above caption, hover your cursor over its corresponding image. In the top left corner of that image's thumbnail, an icon will appear that says "**Edit**". Select that button.

10. A "**Photo detail**" window will pop up. Scroll to the bottom of the left column and select "**Alternative text**".

11. Select the "**Custom alt text**" button, then <u>copy and paste the exact same text from the image's caption</u> into the text box.

*Note: This is a necessary accessibility step for those who use Screen Reading Software to view social media posts.*

12. Press "**Done**" to return to the "**Photos/Videos**" window.

13. **Repeat Steps 8-12** for each of the images, copying and pasting the **BLUE** text *<u>for each respective image's caption and corresponding Alt Text</u>*. **Captions for images 2-5 can be found on the following page.**

14. Once all images are accompanied by the appropriate captions and alternative text, press "**Post**".
